LIGHT UP YOUR LIVING SPACE

Whether you're looking to transform the front of your home, or the gateway to your garden, we have the door for you. A sophisticated set of French doors for elegant charm, a classic sliding patio door for an effortless exit, or a contemporary Bi-Fold to completely open up your world, the Lifestyle Range features stylish, secure and long-lasting doors that will make an ordinary outlook extraordinary.

Crafted from the very latest in uPVC, every door in the range is low in maintenance, high in security and exceptionally aesthetic, enhancing your home with natural light and manmade beauty. When it comes to keeping the warmth in and the cold at bay, they're also energy efficient and durable, whatever the British weather has in store.

This refined collection of high quality doors will add a distinctive touch to your home, whether you're looking for colourful character, or a more traditional feel. Whichever style you choose, you're guaranteed a door that works perfectly for your home, family and lifestyle.

Enjoy the benefits...

Our Lifestyle Range offers the perfect balance of aesthetically-pleasing doors with the modern benefits you'd expect from uPVC. Designed to keep you safe and warm, you can find your perfect finish thanks to the huge range of colours available.

Virtually-maintenance free, our doors don't require time-consuming sanding or painting, which means you can spend more time doing the things you love.

The multi-chambered construction of our doors gives added strength and improved thermal efficiency.

Fully-integrated, slimline weather sealing maximises glazed area while eliminating draughts for a warmer home.

CHOOSE THE LOOK THAT'S RIGHT FOR YOU

The Lifestyle Range of doors is available in a choice of a sculptured profile for a more rounded, ornate style or bevelled for an angular, more modern finish.

Fitted with a choice of toughened or laminated glazing, they are available as double or triple-glazed.

Sculptured profile

Internally glazed to prevent the glazing bead from being removed outside – offering greater security.

70mm profile, designed to replace existing frames for minimal trimming or finishing during installation.

You can choose a profile style and colour to match your windows.

FRENCH DOORS

A room with a view

For the ultimate in sophistication, centre-opening uPVC French doors give your home a chic and classic appearance, offering simple sightlines in an elegant form.

Imagine French Doors are available in single or double styles, and can be specified with sidelight and fanlight combinations. With the choice of a bevelled or sculptured frame to suit your style aspirations, and double or triple-glazed for exceptional thermal performance, our French doors are also available in a low threshold option for disability access.

Fitted with all the latest security features, French doors are as secure as they are weatherproof and durable, and a truly gorgeous way to get into your garden.

DID YOU KNOW?

French doors open fully out to the width of space available, and can be specified as inward or outward opening.

Breathe life into your home

Offering uninterrupted views of the great outdoors, patio doors suit homes of any age, and are a simple and stylish way to bring the outside in. The perfect solution for even the smallest of rooms, Imagine Patio Doors won't cut into valuable indoor living space even when they're open, thanks to the flush inner frame and your choice of internal or external sliding doors.

Versatile, virtually maintenance-free and easy to use, patio doors can be tailored to suit your needs and are available as double or triple-glazed, in two, three, or four pane options. The draft-proof double brush seals around the doors and frame, combined with a unique quadruple seal interlock for insulation, to keep the warmth in and the cold out.

Our patio doors open and close effortlessly thanks to a stainless steel track, giving you easy access to the outside. Available as an in-line sliding door or a tilt & slide option, which suits high-rise living by balancing the need for ventilation with safety, you can tailor your patio doors to suit your lifestyle.

For use in a porch, matching midrails to accommodate door furniture, letterplates and house numbers are also available.

Open up your world

Designed to fully open up your living space, Imagine Bi-Folding Doors are a versatile and modern addition to any home.

Combining style and security with functionality and thermal performance, they're available in an incredible 19 different door style configurations and can be installed so that the doors sit inside or outside the property when folded back, depending on your requirements. Low profile handles also mean the sashes fit neatly together, so they take up less room when open.

For use as a room divider or for access to your garden, the doors open smoothly and effortlessly concertina-style, to a width of up to six metres. With a sash width of up to one metre, they have less profile, more glass and slimmer sightlines for superb panoramic views.

Available with double or triple glazing, Bi-Folding doors also combine impressive noise reduction with thermal performance, achieving the highest energy efficiency rating available.

DID YOU KNOW?

Imagine Bi-Fold Doors can be made to your specifications. They can also be assembled on site and carried through the house to reach difficult-to-access areas, making any installation clean, quick and hassle-free.

SAFE AS HOUSES

Rest assured that every style of door in the Lifestyle Range is as secure as it is aesthetic, with the entire range fitted with the coveted Ultion Cylinder as standard, and integrated hardware and components carefully designed to keep intruders out.

Rigorously tested, Ultion is the most secure cylinder available. In the event of forced entry, Ultion goes into 'lockdown' mode, activating an integral hidden lock to keep your home safe.

Both the Bi-Folding and French doors already meet the industry-leading security accreditations, PAS 24:2016 and Secured by Design, thanks to built-in and extremely advanced bespoke hardware and multi-point locking systems from ERA, the leading force in secure hardware.

Our patio doors include a cutting-edge, multi-point locking system, and can achieve both PAS 24:2016 and Secured By Design with an optional upgrade.

COMPLETE PEACE OF MIND

Choosing the right doors can improve your home in a number of ways inlcuding the look and how you use the space. Our doors are equipped with leading security and lock mechanisms to give you peace of mind that your belongings and loved ones are safe at home.

£2000 GUARANTEE

If an intruder snaps Ultion and breaks into your home, Ultion will pay you *£2000.

*your lock must be registered

The Ultion 3 Star cylinder is fitted on our doors as standard. This gives you additional peace of mind as it is covered by the Ultion £2000 guarantee, payable in the unlikely event entry is gained by an intruder snapping the lock.

You must ensure your lock is registered to take advantage of this benefit.

If you're looking for contemporary aesthetics, the Sweet range from Brisant Secure is available on the Lifestyle Range of French and Residential doors. Gently curved with edgeless beauty, Sweet is available in a range of colour options, and is as resilient as it is aesthetic.

Register Sweet range for guarantee against pitting.

- **Information on our full range of door furniture and finishes is available on request.**

THRESHOLDS

For ease of use, three threshold options are available for each door style, including an ultra-low, easy-access threshold. Ideal for homes where mobility is a consideration and compliant with Part M - the Government's guidance on Access to and Use of Buildings - the low threshold option provides simple access for wheelchair users and people with mobility difficulties when used with ramps.

SECURED BY DESIGN

Secured by Design (SBD) is a scheme which recognises products incorporating effective crime prevention solutions at the design stage, and the body only awards accreditation to products which pass their stringent testing. By specifying Secured by Design on your door, you can rest assured it will be manufactured to the ultimate security specification.
